Our Spring 2 School Values are

Self-Respect (KS1 & 2) and Responsibility (KS2 only)

Self-respect: We believe in our own worth and take good care of ourselves.
We will use our voices to speak up for ourselves.

Responsibility: We know it is important to be reliable and trustworthy, so people know they can count on us. We make thoughtful decisions and take ownership of our actions and words.

Dear Parents,

Well, this Spring term may have been one of the shortest ever - just 49 days, but we have certainly packed a lot in!

The children have worked extremely hard and it is always a pleasure to walk the school and see them immersed in their learning and making the most of all the school has to offer.

Our staff team really do go the extra mile to ensure that our curriculum is ambitious and relevant and all lessons are carefully prepared and resourced with clear outcomes. Our after-school enrichment clubs have been very well attended and the feedback from children is that they love them and want more!

It has been wonderful to welcome so many parents into school for a variety of shared activities this term - the Y5 Assembly, Phonics workshop, Easter Craft days, the PTA Easter Bingo and our Mothers' Day celebrations to mention a few.

I am delighted that the vast majority of parents were able to meet with their child's class teacher to discuss their learning, well-being and progress at our parent consultation evenings. I know the teachers value these meetings immensely. **Together we are stronger!**

Thank you to everyone who has completed our annual parents' questionnaire. Your views are very important to us. We are constantly striving to improve the school and knowing what you understand about our work and the impact you see through your children helps us gauge our effectiveness and inform future plans. The questionnaires will be analysed shortly and we will let you know the outcome.

Year 5 have had a busy week...

Here they are at the Staffordshire Regiment Museum embedding all their learning in History this term-about World War 2.

Some Year 5 pupils also took part in the Tamworth Schools Sports Partnership Cross Country event at Rawlett School. Congratulations to them!

We now look forward to the Summer term, which begins for the children on **Tuesday, 9th April**. During the very first week, Year 4 will experience their first school residential visit - with three days at Whitemoor Lakes!

Please see more news, photos and information below and remember that you can follow us on [X @2gatesprimary](#). Class and school information will also be posted on [ClassDojo](#) and messages will be sent via our text messaging service.

As always, if you have any concerns or questions, please remember that we are here for you; just call the office on [01827 213855](tel:01827213855) or email officetgs@twogates.staffs.sch.uk

I wish you all a very happy Easter,

Mrs Llewelyn-Cook

Love children, love learning!

SCIENCE WEEK

Year 6 are starting their Science week by going back in time!
They have used the 'sketches' app to create their own time machine and then added it on to scratch.

THANK
YOU

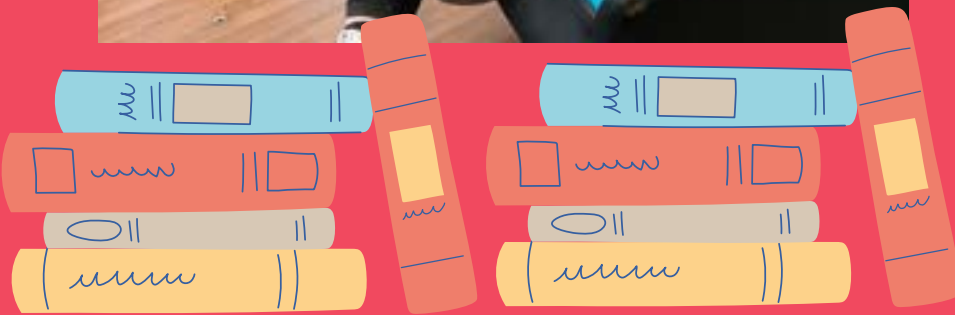

This fantastic bundle of books was kindly donated by Wandsworth Solicitors Tamworth working in partnership with Celo's Book Nook.

We have secured **Monday 15th July** at Drayton Manor for the Year 6 Prom. Further information to follow after the Easter Break.

Thank you to everyone who attended our parent reading session. It was wonderful to see you all there and I know the children really enjoyed reading with you.

NEVER STOP READING

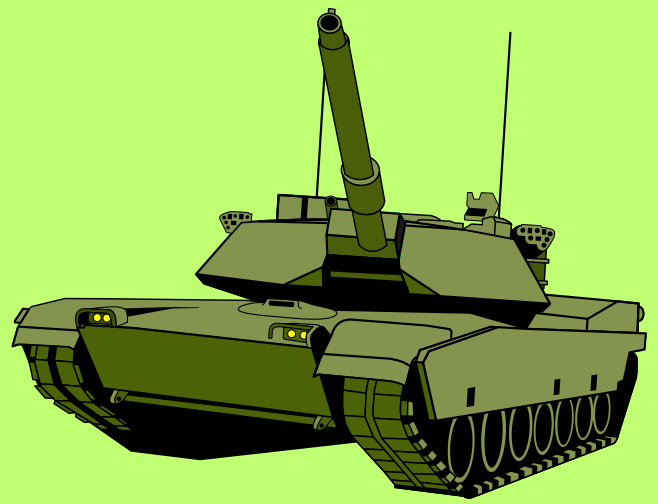

Forest School

Science week
day 4
8.3.24

We had so much fun in Forest School on Friday! We planted our own potatoes and looked around the forest for signs of Spring with the magnifying glasses!

Year 5 had a fantastic and informative time at the Staffordshire Regiment Museum today, consolidating their history topic of World War 2 (Power and Conflict).

Wildfamilies Tree Trail

Wigginton Park, Solway Close,
Tamworth B79 8ED

Staffordshire
Wildlife Trust

f @swtactivities

@StaffsWildlife

@staffswt

We're going on a Tree Trail...

Pull on your boots, and join us for a walk around the fabulous Wigginton Park and let's see if you can find all the trees.

The trail leads you through the park to learn more about nine coniferous and broadleaved trees, each having their own story to tell.

Expect activities all about trees along the way! Learn ways to identify them, and work out how old they might be.

Sunday 24rd March

10.30am - 12.00

FAMILY HUBS

We've created a hub for families in Staffordshire. To keep them happy, healthy and safe.

We can answer your questions and help you find support and share ideas.

We also have some fantastic projects to share with you from cooking with the family on a budget, being creative with craft activities to setting up some exciting play opportunities with our Community Crates Fun activities.
