**95% - 100%**

**WELL DONE! THIS IS EXCELLENT**

If you are in the green group you will be absent for less than two weeks in the whole year or you may even have attended school every day!

**90% - 94%**

**IMPROVEMENT NEEDED**

If you are in the yellow group you could be missing up to 4 weeks of learning in the whole year.

**Less than 90%**

**PERSISTENT ABSENCE PUPIL**

In the red group you are now a Persistent Absence Pupil and should this continue you could be missing 4 weeks or more of learning in the school year.

The chart below shows how absence relates to lost learning:

Attendance during one school year	equals this number of days absent	which is approximately this many weeks absent	which means this number of lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons
80%	38 days	8 weeks	200 lessons

Please read our Attendance Policy to be fully informed of the school's expectations and actions regarding attendance management.
