

Open Gates

Our school value focus for Summer 2 is 'Being Healthy':

At Two Gates we make healthy choices for our bodies and minds.

In KS2 (years 3-6) we are also focusing on the value 'broadmindedness':

We are willing to listen to other people's opinions and beliefs that are different from our own; we understand why some people may behave differently.

Dear Parents,

And so, we reach the final day of the school year! The children and staff are more than ready for a well-earned rest! We have achieved so much together this year and ensured that the **wellbeing and education of the children has been at the heart of all our decision, plans and actions.**

Thank you for your support of the school, together we are stronger!

This week has been a **memorable last week of primary school** for the **class of 2024.**

On Monday, they had their Prom at Drayton Manor and had a fun time celebrating together.

On Wednesday, they gave a powerful and memorable performance of Matilda the Musical which delighted their peers, parents and families.

Well done indeed to them for rising up to the challenge of performing such an ambitious musical - they were brilliant!

On Tuesday they graduated from Two Gates at our Graduation Ceremony, followed by a chip supper outside!

We wish them all the very best for their transition to secondary school and look forward to hearing about their many successes!

This week in assembly we have **celebrated the effort and achievements** of pupils across the school and have awarded certificates for reading, homework and our prestigious Above and Beyond awards. **Many congratulations to all the worthy recipients.**

Student leadership is an important part of our citizenship and character education curriculum at Two Gates. We are very grateful to Monai and Alex our senior student leaders, for their dedication to their roles this year and wish them well for their secondary education.

Our Senior Student Leaders of 2023-2024!

As the year comes to an end, we have to say goodbye to members of staff who are leaving the school:

We are very grateful to **Miss Wright, Mrs Spink, Mr Addis and Miss Denton** for their hard work and commitment to the Two Gates children this year. We wish them all the very best for the future.

Mrs Wilson is retiring from Two Gates today after an incredible **32 years of service- as a teaching assistant**. We celebrated this milestone together in assembly this morning - and are so grateful to Mrs Wilson for the dedication she has shown over the years in her role. She said that she believes that every child she has worked with has taken a piece of her heart with them... this just proves what a huge heart of kindness Mrs Wilson has. One of Mrs Wilson's hobbies is knitting and we used the letters in this word to describe her...

K is for **kind**

N is for **nurturing**

I is for **inclusive**

T is for **teacher**

T is for making **time** for everyone

I is for **irreplaceable**

N is for **no-nonsense**

G is for **genuine**

Year 1 had a wonderful day at Tamworth Castle!

The children loved exploring the castle and climbing to the top of the tower. They also learnt what it was like to be a squire/knight in medieval times and had the opportunity to use a bill hook (a foam one not a real one).

After lunch, the children met the Lady of the castle and helped to set the dining table.

The children really enjoyed going on the coach and walking up to the castle. Whilst on route, we spotted both statues of Lady Aethelflaed.

What a fabulous day!

Within Tamworth, there are 10,805 single occupancy households, with 1,350 of these households being individuals over the age of 65. May 2024

Dear Parents

I am writing to inform you of an important update regarding the pricing of school meals, which will take effect from September 2024.

Over the past few years, we have seen a steady increase in the costs associated with providing nutritious and balanced meals to our pupils. Factors such as rising food prices, inflation and operational expenses have put a strain on our budget allocated for school meals. Despite our best efforts to maintain the current pricing, it has become increasingly challenging to cover these costs without compromising on the quality of the meals we serve.

Therefore, after careful consideration and evaluation, we have made the decision to increase the price of school meals. This adjustment is necessary to ensure that we can continue to provide nutritious and balanced meals to our pupils, whilst also maintaining the quality and sustainability of our school meals.

Starting from the beginning of the 2024/25 school year in September, there will be a modest increase in the price of school meals, with the price increasing to £2.70.

We understand that any change in pricing may impact our families and we want to assure you that we have taken this decision very seriously. We remain committed to providing affordable meal options for our pupils and we will continue to offer support to families who may face financial difficulties as a result of this change.

We believe that investing in the nutritional wellbeing of our pupils is essential for their growth, development and academic success. By maintaining the quality of our school meals, we can continue to support their learning journey and contribute to a positive school environment.

We encourage you to reach out to us if you have any questions or concerns regarding this change. Our school administration and support staff are here to assist you.

Thank you for your understanding and co-operation in this matter. We appreciate your continued support as we work to ensure the wellbeing of our students.

Yours sincerely,

Mrs N Llewelyn-Cook
