Dear Parents

YEAR 1/2 Animal Man Visit

As part of our Science topic 'Animals Including Humans', we have organised for an animal expert to come into school on Friday 15th October along with animals from a variety of different animal groups. During this visit the children will have the opportunity to meet and handle a selection of exotic animals.

We are asking for a voluntary contribution of £6.30 per child to cover the cost of this visit. Unfortunately if we do not receive sufficient donations to cover the cost we may have to cancel the visit.

Payments for the visit should be made via ParentPay, www.parentpay.com, using the username and password which was previously supplied to your child. If you require any help accessing ParentPay, please contact the school office. Some Y2 parents may have already made a payment as this visit has been rescheduled from last term.

Please complete the consent form below and return to school by **Friday 1st October 2021**.

Yours sincerely

KS1 Team
