Transition Days 2022- Wednesday 6th and Thursday 7th July for children moving into Years 1-6

Dear Parents,

We are very excited that children across school will be able to spend two sessions with their new class teacher before the summer holidays.

These sessions will take place in the **afternoon** on **Wednesday 6th July** and in the **morning** on **Thursday 7th July**. To allow the children to experience their new class as much as possible, there will be some changes to the start and end of the day as this will be the arrangements for September.

Wednesday 6th July: All children in new Y1 to Y6 classes to be collected from the KS2 playground.

The gate will be opened at 3:10. Parents are asked to wait behind the yellow markings of the netball pitch.

Children in Y1 and Y2 will be lined up on the trim trail side of the playground.

Thursday 7th July:

New Y1 and Y2 children will come to school through the EY Gate. Please drop your children off the silver gate by the gym equipment, where members of staff will be available to help children find their new classrooms.

New Y3- Y6 children will come to school through the KS2 gate. A member of staff will be at this gate and the children will walk down to their new classes. Staff will be around to help children find their way.

Home time Thursday 7th July: As children will be back in their current classes, please collect them from their usual collection point.

We look forward to seeing the children in their new classes!
